

# February: *Xizhou Xie*

## **About the Artwork:**

Xizhou Xie is an up-and-coming abstract artist with a passion for creating modern artwork. Xizhou's work is characterized by vivid colors, bold textures, and a dynamic composition that engages the viewer's eye.

Xizhou's love for art began at a young age, when she went to art elementary school that taught music and visual arts. As she grew older, she became more interested in abstract art, drawn to its ability to convey emotion and meaning through form and color.

Xizhou also creates functional home décor from her original paintings. With a positive tone and focus on creativity and individuality, Xizhou's art will brighten up any living space. Her artwork can be viewed in person at the Xizhou Xie Art Gallery.
